

Blue Capital Reinsurance Holdings (in liquidation) Reports Second Quarter 2021 Financial Position

HAMILTON, Bermuda - July 28, 2021 - Blue Capital Reinsurance Holdings Ltd. (in liquidation) (OTC:BCRHF) (the "Company"), a Bermuda holding company, today reported its financial position for the second quarter of 2021. The Company, through its operating subsidiaries, previously offered collateralized reinsurance in the property catastrophe market and invested in various insurance-linked securities. The Company is currently winding down its operations.

Net assets in liquidation decreased \$2.5 million dollars in the current quarter, largely driven by the declaration of an interim special distribution of \$2.5 million in June 2021. The Company's fully converted book value per common share was \$0.15 at June 30, 2021, compared to \$0.43 as of March 31, 2021. The interim special distribution announced in June 2021 is not a final distribution; future distributions will occur to the extent sufficient funds are available as the liquidation continues.

About the Company

Blue Capital Reinsurance Holdings Ltd. (in liquidation), is currently winding down its operations. The Company, through its operating subsidiaries, previously offered collateralized reinsurance in the property catastrophe market, leveraging underwriting expertise and infrastructure from established resources. Underwriting decisions, operations and other management services are provided to the Company by Blue Capital Management Ltd., a subsidiary of Sompo International Holdings Ltd. (a wholly owned subsidiary of Sompo Holdings, Inc.), a recognized global specialty provider of property and casualty insurance and reinsurance and a leading property catastrophe and short tail reinsurer since 2001. Forward-Looking Statements

Some of the statements in this press release may include, and the Company may make related oral forward-looking statements which reflect our current views with respect to future events and financial performance. Such statements may include forward-looking statements both with respect to us in general and the insurance and reinsurance sectors specifically, both as to underwriting and investment matters. Statements that include the words "should," "would," "expect," "estimates", "intend," "plan," "believe," "project," "target," "anticipate," "seek," "will," "deliver," and similar statements of a future or forward-looking nature identify forward-looking statements in this press release.

All forward-looking statements address matters that involve risks and uncertainties. Accordingly, there are or may be important factors that could cause the Company's run-off performance and the timing and amount of special distributions to differ materially from those indicated in the forward-looking statements. These factors include, but are not limited to, greater frequency or severity of claims and loss activity, uncertainties in our reserving process, changes to our tax status, credit risk related to our broker counterparties, assessments for high risk or otherwise uninsured individuals, possible terrorism or the outbreak of war, a loss of key personnel, political conditions, changes in insurance regulation, operational risk, including the risk of fraud and errors and omissions, as well as technology breaches or failure, changes in accounting policies, our investment performance, the valuation of our invested assets, a breach of our investment guidelines, potential treatment of us as an investment company or a passive foreign investment company for purposes of U.S. securities laws or U.S. federal taxation, respectively, our dependence as a holding company upon dividends or distributions from our operating subsidiaries, the unavailability of capital in the future, developments in the world's financial and capital markets, government intervention in the insurance and reinsurance industry, illiquidity in the credit markets, changes in general economic conditions and other factors.

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the risk factors included in the Company's most recent annual financial statements posted on the Company's website. Any forward-looking statements made in this material are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by the Company will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, the Company or its business or operations. Except as required by law, the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.
